New F/L													
Mandarin													

- **FLES:** is Spanish only.
- **Old F/L:** is Spanish and French starting in 7th grade w/ Latin starting in 9th. News students currently entering 8th grade do not start a language and wait to start in 9th grade. Students can take one language in MS and begin a second in HS.
- **New F/L:** will be Spanish, French and Mandarin. Spanish is an extension of the FLES program while French and Mandarin are introductory courses. We have yet to determine if/how students new to 7th and 8th grade will start a language if they have no previous experience. Also we have yet to determine how a student new to 6th grade can start Spanish w/o experience in the FLES program. Latin starts in 9th. Students can take one language in MS and add a second in HS.
- **Mandarin:** The number in the box indicates which year/level will be offered and in what grade level.
