

September 20 2021

Dear parents and students:

The Scarsdale High School Orchestras and Bands will be moving to a new system for ordering and delivering concert attire beginning with the 2021-2022 school year. This streamlined process will make ordering, delivery, and reordering easier.

Students who already have 2018-19 and 2019-20 concert attire (Juniors, Seniors) may elect to keep the existing attire or purchase from our new recommended vendor.

If students are purchasing a tuxedo or jacket, we recommend ordering a slightly larger size to allow for both physical movement when playing an instrument and potential growth from freshman to senior year. If a student finds her/him/themselves needing a larger size jacket at a later point, we will provide a loaner jacket from our older inventory. We have selected Stage Accents as the vendor. Everyone can order directly, have the garments shipped to your home, and do tailoring and dry cleaning at your leisure.

Below are links to the required choices.

Option 1 (Tuxedo):

Please ensure that you have purchased one of the above options before **Friday, October 15, 2021**. Please also note that all pants must be hemmed (tailored) at a local tailor of your choice. Dresses may also need to be altered.

With thanks,

Amedee Williams
