

Fall Inquiry Research Project

Task Definition

- Choose topic
- Create a main inquiry question

Information Seeking Strategies and Location and Access

- Select 3-5 keywords before researching (Use encyclopedias on the Scarsdale Library Website).
- Using your keywords, locate a minimum of two types of sources.
- Use encyclopedias on the Scarsdale Library Website

Use of Information

- Complete note-taking sheets for each source/each question.
- Complete bibliography using template

Synthesis

- Minimum One Page Writing Piece
- Discussion.
 - You will discuss your topic with the class during a 2-minute discussion.
 - After studying your topic for 1 week, you should feel very comfortable talking about what you learned.
 - This does not mean that you read your report to the class and point to your page and read the captions!!!
 - You should talk about the most important information about the topic, main question and your reactions to what you learned.

***MOST IMPORTANTLY, HAVE FUN AND LEARN A LOT!**
