We Are The Future of The World
Words and Music by Katherine Bescherer © 2011

Verse 1
This is where we start.
This is where we learn to think.
This is where we learn to feel.

This is where we start.
This is where we learn to dream.
This is where we start our journey.

Chorus
We are the future of the world. (We are the future of the world.)
We are the future of the world. (We are the future of the world.)
We are the future of the world. (We are the future of the world.)
The miracle of every boy and girl.

Bridge
Like one friend to another,
Heathcote gives us hope.
From this road to another
No matter where we roam,
Heathcote you will always feel like home.

Verse 2
This is where we grow.
This is where we build what matters.
This is where we build a bright tomorrow.
This is where we grow.
This is where we build ambition.
This is where we grow to be stronger.

Chorus
We are the future of the world. (We are the future of the world.)
We are the future of the world. (We are the future of the world.)
We are the future of the world. (We are the future of the world.)
The miracle of every boy and girl.
The miracle of every boy and girl.
