

The Heathcote School Song:
We Are the Future of the World
by Katherine Bescherer

Verse 1

This is where we **start**.
This is where we **learn** to think.
This is where we **start** our journey.

Chorus

We are the future of the world.
We are the future of the world.
We are the future of the world.
We are the future of the world.
The miracle of every one of us!

Bridge

Like one friend to another,
Heathcote gives us hope.
From this road to another,
No matter where we go,
Heathcote, you will always feel like home.

Verse 2

This is where we **grow**.
This is where we **build** what matters.
This is where we **grow** to be stronger.

Chorus

We are the future of the world.
We are the future of the world.
We are the future of the world.
We are the future of the world.

The miracle of every one of us! The miracle of every one of us!
