Additional Information:

Drums/Orchestral Bells – We can only accept three drummers/percussionists from the whole grade. Tryouts will be held in early June. If your child tries out and is not selected for drums/percussion, we urge he or she to pick a second choice instrument. 4th grade drums/orchestral bells have their small group lessons during lunch recess once every six days.

French Horn and Oboe – These are wonderful instruments, but more challenging for beginners. Children who are interested in these instruments might consider starting on clarinet (for the oboe) or trumpet (for the French Horn) and switching in 5th or 6th grade. Please contact Mr. Missett if you would like to discuss this choice for your child at cmissett@scarsdaleschools.org.
