

PCRA draws students from more than 10 Westchester area high schools as well as New York City. We are a club of approximately 160 youth athletes who compete at the Development, Novice and Varsity level. PCRA rows out of Westchester County's Glen Island Park on the 1964 Olympic Trials Course.

Our coaches have worked with, been coached by, or have personal friendships with all the top colleges and college coaches in the country. Our vast network of collegiate coaching relationships is unparalleled. In the past few years, our athletes have gone on to row at Yale, Dartmouth, UVA, Michigan, Bucknell, Notre Dame, Northwestern, MIT, UWashington and many other universities.
